

To Whom It May Concern:

I, _____, fully support The City of Bethlehem Parks and Recreation Department's request for funding through the Pennsylvania Department of Conservation and Natural Resources, Bureau of Recreation and Conservation, toward the development of a municipal skatepark as a part of the Bethlehem Greenway Project.

A skatepark is a vital community project that will fill a void in the City's recreation program and benefit a large number of young people ranging from age 10-35 who enjoy participating in various action sports such as skateboarding and BMX bike riding, but up to this point have no place to safely practice their sport of choice.

Action sports are popular "at-your-own-risk" activities and providing adequate resources for practice of these sports ensures a safe and secure environment for participants. The young people of the community deserve such resources. Therefore, I am pleased to support the City of Bethlehem's grant request, as it will undoubtedly improve the quality of life of both the action sports participants and the surrounding community.

Thank You,
